TOTAL	6	1	12	9	28

2. Reports Progress on Work Groups [] - Briefing was given at the regular meeting of the IAC-AHIP group on Monday of this week on the current progress made by the work groups considering Information Report format and the Document Security Indications.

25X1

25X1

3. Preparing Shipshape Files [] - Complete study is being made of contents of all folders that make up the ^{Numerical} Alphabetical Forms File within the new numbering system. To date approximately 10" of duplicate and obsolete material has been purged from this file. Current efforts are being directed to obtaining all missing copies of forms which properly belong in these folders.

4. Revises "Plant Analysis Sheet" Form No. 35 [] ^{WILL} - This form which is 12" x 21" in size is presently being completely revamped. When revision is complete the form will be known as "ICE Analysis Sheet" and be 10 $\frac{1}{2}$ " x 16" in size thus permitting its folding to standard (8" x 10 $\frac{1}{2}$ ") letter size. Many changes have been made in the entries and in their arrangement. Paper savings resulting from this revision will amount to 33 1/3%.

PROJECT STAFF

1. Contributions

a. Intangible

(1) Replied to Employee Suggestion No. 2975.

2. Projects Active

a. Due to the illness of the operator the starting of the quarterly filming of Vital Materials in the Office of Personnel is being delayed.

b. Establishment of the Agency file system in OSI continues. Installation of this system in the OAD/EXEC. has been completed and we are presently reviewing the files of the OAD. This project is approximately 10% complete.

25X1 c. The Chief of SOG [] has requested our assistance in solving a problem in connection with the numbering system used in processing requisitions.

3. News

The Chief of OS/SD/LO has conceded to our request to forward requisitions for filing equipment to this office for review. Requisitions for standard type cabinets will be forwarded to this Staff by the Building Supply Officers rather than from Stock Editing. Requisitions for non-standard equipment will be forwarded by Stock Editing.
